

“Hopatcong, Save our Dogs & Cats Campaign”

Hopatcong is proud to present a campaign which will be sponsored by the Borough Administrative Staff and the Health Department.

As we try to survive with this tough economic time in our lives we often forget what happens to our most precious members of our family, our pets. People who can't afford their animals often resort to giving them away. We want to help with this situation by launching a new program by asking residents to give back to their community with helping hands.

By donating items such as dog food-wet and dry, cat food-wet and dry, kitty litter, toys, blankets, flea and tick supplies and maybe even donations to vet services for their supplies (within limits of course for vet services).

These donations will exclude: Vet services such as vet euthanasia, spay or neuter or surgeries of any kind, feral animals, exotic animals, rabbits, gerbils, hamsters, birds, (anything other than dogs or cats).

This program will be strictly confidential and no names will be given out. If you are interested in either being a donator or recipient please fill out the form below and return to Vicki in Administration between the hours of 9am and 12 noon.
