

HOPATCONG SENIORS, INC.

Hopatcong Seniors Inc. was established in June of 1968! The original enrollment of members was 17. The organization has changed dramatically over the years and today we have over 286 members who take part in the activities and enjoy fellowship with each other. The Hopatcong Seniors Club was officially incorporated on February 9th 1970.

Today's club is filled with dynamic senior members who enjoy life and take pleasure in the many activities and trips that are planned for the organization. Some of these leisurely interests include cruises, bocce, bowling, socials, day trips, casinos, luncheons, dinner theatre shows and overnight vacations.

Hopatcong Seniors Inc. is a relevant part in the lives of today's seniors. The club keeps our members active by shaping their experiences and facilitating a passion for fun and simply having a good time. If you are 60+ and a resident of Hopatcong, come join us. We welcome our members with open arms!
